## Welcome to Dove Ridge

Our spacious hilltop venue provides an elegant canvas to create the wedding of your dreams with our soft grey walls, elegant faux wood flooring, 18' cathedral ceiling and dark wood beams. Natural light fills our grand ballroom through our nearly floor to ceiling windows. Through the west windows, the evening sunset is the perfect backdrop to your event.

## Spectacular views and sunset lawn

The spacious lawns surrounding the venue create a private paradise for you and your guests. While they mingle and enjoy a cocktail hour or yard games on the lawns, our 360-degree hilltop views provide the perfect vantage of the sunset skies and sun kissed trees in every direction. You and your guests are sure to be left with unforgettable memories and pictures to cherish for a lifetime.

**The Point** — Surrounded by the rolling hills and panoramic Texas skies, our outdoor ceremony location is perched above the treetops, making you feel like you're on top of the world!

**The Patio Chapel** — Providing the best of both worlds; our large covered patio features panoramic views of the rolling hills and protection from the natural elements of Texas. A large stone fireplace and iron chandeliers provide a romantic touch to your perfect day.
